### Privacy statement and data protection

Ham Baker Group fully respects your right to privacy and will not collect any personal information about you on this website without your clear permission. Any personal information, which you volunteer to Ham Baker Group, will be treated with the highest standards of security and confidentiality, strictly in accordance with the Data Protection Act, 1998. Ham Baker Group

does not collect any personal data about you on this website, apart from information which you volunteer (for example by e-mailing us or by using our online forms). Any information, which you provide in this way, is not made available to any third parties, and is used by Ham Baker Group only in line with the purpose for which you provided it.

### Collection and use of technical information

Technical details in connection with visits to this website are logged by us for our statistical purposes. No information is collected that could be used by us to identify website visitors. The technical details logged are confined to the following items:

- The IP address of the visitor's web server
- The top-level domain name used (for example: .com, .org, .net)
- Click stream data which shows the traffic of visitors around this web site (for example pages accessed and documents downloaded)
- The type of web browser used by the website visitor.

Ham Baker Group will make no attempt to identify individual visitors from the technical details listed above, or to associate the technical details listed above with any individual. It is the policy of Ham Baker Group never to disclose such technical information in respect of individual website visitors to any third party unless obliged to disclose such information by a rule of law. The technical information will be used only by Ham Baker Group, and only for statistical and other administrative purposes. You should note that technical details, which we cannot associate with any identifiable individual, do not constitute "personal data" for the purposes of the Data Protection Act, 1998.
